An Ordinance, Entitled "An Ordinance authorizing the Willow Grove and Hatboro Street railway company to lay and maintain tracks &c. on York Street, in the Borough of Hatboro."

Sec. 1 The Town Council of the Borough of Hatboro doth ordain that the Willow Grove and Hatboro Street railway company is hereby authorized to lay down double or single tracks on the Old York Road for said railway, and to maintain and operate the same from the southerly to the northerly line of said Borough on said Old York Road, together with the curves and connections needed for the proper operation of said railway; and the poles and other supports for the electric conductors shall be constructed and erected on the inside edge of the curb line of the sidewalk along said roads; and the said poles or supports, the laying of the roadbed and the rails thereon, shall be constructed erected and laid under the direction and control of Town Council.

Sec. 2 Permission is hereby granted said railway company to operate its cars by the overhead trolley system.

Sec. 3 All the electric wires and conductors attached to all the poles or supports shall be not less than twenty feet in clearance above the railway tracks.

Sec. 4 The said railway company is to lay its tracks on the said Old York Road from the southerly line of said Borough to the bridge over the Pennypack creek, and from the bridge at William Creely's property to the northerly line of said Borough on the sides of the road, and between these two bridges the tracks are to be laid with the flange rail, with ten and one-half inch tread, laid according to Philadelphia construction. The space between the tracks shall be four feet six inches. The outside rail shall not be nearer to the curb line than fourteen feet. Between the bridge over the Pennypack creek and the monument on the Gentner property, the street between the tracks and for one foot outside each track shall be laid with Belgian blocks, and said rails are to be so laid as to admit of vehicles of the usual width of track passing over, along, and across them, and in such manner as to place the least possible obstruction to their free passage over, along, and across said tracks.

Sec. 5 The said railway company shall lay its tracks to such grades as the Town Council shall direct, and whenever either in the construction of said railway or at any subsequent time the Borough authorities shall see fit or proper to elevate or depress the grade of the street occupied by said railway, its successors or assigns, the said company shall at its own expense conform its roadway to the grade established by Town Council.

Sec. 6 The said railway company shall maintain and keep in good order, for all time, at its own expense the portion of the road it uses, to-wit: that portion between its rails and for one foot outside the rails, on a level with the tracks as near as practicable, so that a wagon can be easily driven on or off the same; and along the whole distance where the said railway tracks run between said two bridges, the railway company shall, in addition to the laying of the belgian blocks, as provided for in Section 4 of this ordinance, macadamize and keep in order for all time the roadbed from the outside railway tracks to the gutter curb; and if two tracks are laid to also macadamize or lay with belgian blocks, that portion of the street laying between the double tracks. The material to be used

in the macadamizing to be approved by Town Council.

Sec. 7 The said railway company shall widen the bridge over the Pennypack Creek to the full width of the road, viz: 45 feet, and the side walk on the west side of the bridge, viz: 7 feet; making the full width of the bridge 52 feet; and the Town Council hereby agrees to contribute to said railway company the sum of $ 750. for thus widening said bridge.

Sec. 8 That in the construction of said railway and in making repairs, the said railway company shall always, and immediately, place the street in good travelling condition wherever they interfere with the same.

Sec. 9 The said railway company shall at all times indemnify and save harmless the said Borough of and from all and every claim for damages to person or property which may arise from the construction of said railway or in the maintenance or operation of the same.

Sec. 10 On failure of said company to perform any of the foregoing stipulations after twenty days notice so to do, being authorized by Councils of said Borough, and a written notice being given by the Clerk of Councils of said Borough, to any officer of said company,

the said Borough may perform the same at the expense of said railway company, with fifteen pr. cent added thereto.

Sec. 11 The road to be completed and in operation within one year from the first day of January 1895; and upon the failure of the company to complete and operate the same within that period, then this ordinance and the franchise and all rights thereunder are to terminate and cease forthwith.

Sec. 12 That before this ordinance shall be operative the written acceptance of said company, attested by its President and secretary under the corporate seal of said company, shall be filed with the secretary of Town Council within thirty days after the passage of this ordinance.

Sec. 13 The said railway company shall pay the expense of the printing and advertising of this ordinance.

Enacted into an Ordinance of the Borough of Hatboro, at the Council Chamber, this Seventh day of March, A. D. 1895.

An Ordinance, Entitled: An Ordinance for the better preservation of the Public Health and to prevent the spread of communicable diseases.

Be it enacted by the Town Council of the Borough of Hatboro, and it is hereby enacted by the authority of the same:

Sec. 1 That whatever is dangerous to human life or health, whatever renders the air or food or water or other drink unwholesome, and whatever building, erection, or part or cellar thereof is overcrowded or not provided with adequate means of ingress and egress, or is not sufficiently supported, ventilated, sewered, drained, cleaned or lighted, are declared to be nuisances, and to be illegal; and every person having aided in creating or contributing to the same, or who may support, continue or retain any of them, shall be deemed guilty of a violation of this ordinance, and also be liable for the expense of the abatement and remedy therefor.

Sec. 2 No house-refuse, offal, garbage, dead animals, decaying vegetable matter, or organic waste substances of any kind, shall be thrown on any street, road, ditch, gutter or public place within the limits of this Borough, and ~~no putrid or decaying animal or~~ vegetable matter shall be kept in any house, cellar or adjoining out-building or grounds for more than twenty-four hours.

Sec. 3 No person or persons without the consent of the Board of Health shall build or use any slaughter house within the limits of this Borough, and the keeping and slaughtering of all cattle, sheep and swine, and the preparation and keeping of all meat, fish, birds or other animal food, shall be in the manner best adapted to secure and continue their wholesomeness as food; and every butcher or other person owning, leasing or occupying any place, room or building wherein any cattle, sheep or swine have been, or are killed or dressed, and every person being the owner, lessee or occupant of any room or stable wherein any animals are kept, or of any market, public or private, shall cause such place, room or building, stable or market, to be thoroughly cleansed and purified, and all offal, blood, fat, garbage, refuse and unwholesome

and offensive matter to be removed therefrom at least once in every twenty-four hours, after the use thereof for any of the purposes herein referred to, and shall also at all times wash all woodwork, save floors and counters in any building, place or premises aforesaid thoroughly painted or whitewashed; and the floors of such building, place or premises shall be so constructed as to prevent blood or foul liquids or washings from settling in the earth beneath.

Sec. 4 No blood-pit, dung-pit, offal-pit or privy-well shall remain or be constructed within any slaughter house. Any one offending against this rule shall be guilty of creating and mantaining a nuisance prejudicial to public health and shall be required to remove the nuisance within ten days from the date of notice.

Sec. 5 The owners, agents or occupiers of all slaughter houses are required, during the months of June, July, August and September to distribute twice in each week not less than ten pounds chloride of lime about their premises, and also to remove the contents of any manure pit or manure pile on the premises, once in each week, the said premises and contents of manure-pits

being hereby declared to be a nuisance prejudicial to public health, unless subjected to frequent disinfection, and cleaning as herein indicated. No pigs or hogs shall be kept in the same enclosure with a slaughter house, nor shall they be fed, there or elsewhere, upon the offal of slaughtered animals.

Sec. 6 No person or company shall erect or maintain within the limits of this Borough any manufactory or place of business dangerous to life or detrimental to health, or where unwholesome, offensive or deleterious odors, gas, smoke, deposit or exhalations are generated, such as tanneries, refineries, manufactories of starch, glue, leather, chemicals, fertilizers, gas, etc; etc; without the permit of the board of health, and all such establishments shall be kept clean and wholesome so as not to be offensive or prejudicial to public health; nor shall any offensive or deleterious waste substance, refuse or injurious matter be allowed to accumulate upon the premises, or be thrown or allowed to run into any public waters, stream, water course, street, road, or public place. And every person or company conducting such manufacture or business shall use the best approved and all reasonable means to prevent the escape of smoke, gases, and odors, and to protect the health and

safety of all operatives employed therein.

Sec. 7 No bone-boiling establishments or depositories of dead animals shall be kept or erected in this Borough.

Sec. 8 The Keeper or Keepers of a livery or other stable shall keep his or their stable and stable-yard clean, and shall not permit between the 15th. day of May and the 1st. day of November more than two wagon loads of manure to accumulate in or near the same at any one time, except by permission of the Board of Health.

Sec. 9 No pigpen shall be built or maintained within the limits of this borough without a permit from the Board of Health, or within one hundred feet of any well or spring of water used for drinking purposes, or within thirty feet of any street or of any inhabited house, unless constructed in the following manner Viz: so that the floor or floors of the same be not less than two feet from the ground, in order that the filth accumulating under the same may be easily removed: and such filth accumulating in, about and under the same shall be removed at least once a week and oftener if so ordered, and on the failure of any owner or occupier of such premises so to do then the same shall be

done by direction of the Health Officer.

Sec. 10 No privy-vault, cesspool or reservoir into which privy, water-closet, cesspool, stable or sink is drained unless it is water tight, shall be constructed dug or permitted to remain within forty feet of any well, spring or other source of water used for drinking & culinary purposes. Earth privies and earth closets with no vault, pit or depression below the surface of the ground shall be excepted from this regulation but sufficient dry earth or coal ashes must be used daily to absorb all the fluid part of the deposit, and the contents must be completely removed at least every three months.

Sec. 11 All surface privies shall be cleaned out at least twice a year, once in the month of May and once in the month of October and all privy vaults, cess pools or reservoirs shall be cleaned out whenever deemed necessary by the Board of Health. From the 15th of May to the 15th of October of each year they shall be thoroughly disinfected by adding to their contents once every week, from one to four gallons of a disinfectant solution, according to the size of said vault, cess pool or reservoir.

Sec. 12 All sewer drains shall be water-tight within the limits of this borough.

Sec. 13 No sewer drain shall empty into any lake, pond or other source of water used for drinking purposes, or into any standing waters, within the jurisdiction of this borough.

Sec 14 That portion of the house drain which is outside of the building and more than four feet from the foundation walls shall be constructed of iron pipe or vitrified drain-pipe.

Sec. 15 That portion of the drain-pipe outside or under the building, and within four feet of the foundation walls, together with the soil-pipe shall be constructed of cast-iron with lead joints or of wrought-iron pipes with screwed joints, and in either case protected from rust. The waste-pipe connected with the conductors from the roofs, and other pipes inside the building, or outside and within four feet of the foundation walls, shall likewise be constructed of cast-iron, with leaded joints, or of wrought-iron with screwed joints.

Sec. 16 The house drain and other pipes for the conveyance of sewage shall be laid with uniform grade and with a fall of not less than one inch in four feet except in those cases where the Board of Health may permit otherwise.

Sec. 17 All pipes connecting a water closet with a soil-pipe shall be trapped each separately. All waste pipes shall be trapped, each separately, and close to the connection with each bath, sink, bowl or other fixture unless adequate provision is made for downward ventilation through said waste-pipes in which case one trap may serve for several fixtures.

Sec. 18 All soil-pipes shall be carried at their full size through the roof and left open. A provision shall also be made for admitting air to the house drain side of the main trap, if such trap exists.

Sec. 19 The joints of vitrified pipe shall be carefully cemented under and around the pipe, and the joints in the cast iron pipe shall be run and calked with lead.

Sec. 20 All changes in direction shall be made with curved pipes. All joints and pipes shall be made air-tight. The whole work shall be done by skillful mechanics in a thorough and workmanlike manner, and satisfactorily to the board of Health.

Sec. 21 Before proceeding to construct any portion of the drainage system of a hotel, tenement, dwelling-house or other building, the owner, builder or person constructing the same, shall submit to the Board of Health a plan thereof, showing the whole drainage system, from its connection with the reservoirs to the terminus in the house, together with the location and size of all branches, traps, ventilating pipes and fixtures.

Sec. 22 All drains now built shall be reconstructed whenever in the opinion of the Board of Health it may be necessary.

Sec. 23 The following named diseases are declared to be communicable and dangerous to the public health, Viz: Small pox (Variola, Varioloid) Cholera, (Asiatic or Epidemic) Scarlet fever, (Scarlatina, Scarlet-Rash), Measles, Diphtheria, (Diphtheretic Croup, Diphtheretic Sore Throat), Typhoid fever, Typhus fever, Yellow fever, Spotted fever,

(Cerebro Spinal Meningitis), Relapsing Fever, Epidemic Dysentery, Hydrophobia (Rabies), Glanders, (Farcy), and Leprosy, and shall be understood to be included in the following regulations, unless certain of them only are specified.

Sec. 24 Whenever any householder knows that any person within his family or household has a communicable disease, dangerous to the public health, he shall immediately report the same to the Board of Health, giving the location of the house.

Sec. 25 No person suffering from whooping cough shall attend any school, church or public place of amusement in this borough.

Sec. 26 Whenever any physician finds that any person whom he is called upon to visit has a communicable disease, dangerous to the public health he or she shall immediately report the same to the Board of Health giving the location of the house, on the receipt of which report the secretary shall immediately notify the teacher or principal of every school, academy, seminary or Kindergarten in the borough, requesting said teachers or principals to dispense with the attendance of all pupils residing in the

family in which such disease exists. No physician who may, in good faith, in obedience to this ordinance report a case as one of communicable disease which subsequently proves not to be such shall be liable to a suit for damages for such error in reporting. It shall be the duty of such physician and of all other attendants upon persons affected with such diseases to avoid exposure to the public of any garments or clothing about their own persons that may have been subjected to the risk of infection.

Sec. 27 No person shall, within the limits of this borough, unless by permit of the board of Health, carry or remove from one building to another, any patient affected with any communicable disease, dangerous to the public health. Nor shall any person by any exposure of any individual so affected, or of the body of such individual, or of any article capable of conveying contagion or infection, or by any negligent act connected with the care or custody thereof, or by a needless exposure of himself or herself cause or contribute to the spread of disease from any such individual or dead body.

Sec. 28 There shall not be a public or church funeral of any person who has died of Asiatic Cholera, small pox, typhus fever, Scarlet-fever, diphtheria, yellow fever, or measles, and the family of the deceased shall in all cases limit the attendance to as few as possible, and take all precautions possible to prevent the exposure of other persons to contagion or infection; and the person authorizing the public notice of death of such person shall have the name of the disease which caused the death appear in such public notice.

Sec. 29 The bodies of all persons who have died from any disease named in section 28th shall be buried within thirty six hours.

Sec. 30 No person suffering from or having very recently recovered from, small pox scarlet-fever, diphtheria, yellow fever or measles, shall expose himself, nor shall any one expose any one under his charge in a similar condition, in any conveyance without having previously notified the owner or person in charge of such conveyance of the fact of such condition, as above stated. It shall be the duty of the board of health to have this section printed on a card, and to furnish the owner of each public conveyance with a copy thereof; and it shall be the duty

of the owner of such conveyance to display such card in such conveyance. And the owner or person in charge of such conveyance must not, after the entry of any person so infected into his conveyance, allow any other person to enter it without having sufficiently disinfected it under the direction of the Board of Health.

Sec. 31 Members of any household in which small pox, diphtheria, scarlet fever or measles exists, shall abstain from attending places of public amusement, worship, or education and, as far as possible, from visiting other private houses.

Sec. 32 The clothing, bed clothing and bedding of persons who have been sick with any communicable disease, dangerous to the public health, and the rooms which they have occupied during such sickness, together with their furniture, shall be disinfected under the direction of the Board of Health.

Sec. 33 No animal affected with a communicable disease, dangerous to the public health, shall be brought or kept within the limits of this borough except by permission of the Board of Health, and the bodies of animals

dead of such disease or killed on account thereof, shall not be buried within five hundred feet of any residence, nor disposed of otherwise than as the said Board or its health officer shall direct.

Sec. 34 No milk which has been watered, adulterated, reduced or changed in any respect from its natural condition by the addition of any foreign substance, shall be brought into, held, kept or offered for sale at any place in this borough.

Sec. 35 No meat, fish, birds, fowls, fruit, vegetables, milk, and nothing for human food, not being healthy, fresh, sound, wholesome, fit and safe for use, nor any animal or fish that died by disease, and no carcass of any pig or lamb, which at the time of its death was less than three weeks old, or calf which at the time of its death was less than five weeks old, and no meat therefrom, shall be brought within the limits of this borough or offered or held for sale as food anywhere in said borough.

Sec. 36 It shall be the duty of the occupants of every house within the limits of this borough in the month of May, in each and every year, to cleanse the cellars thereof of all dirt,

vegetable and other impure matter calculated to engender disease, and to cause them to be thoroughly whitewashed with fresh lime.

Sec. 37 It shall be the duty of every adult and every parent, guardian or master of every minor residing within the limits of this borough who has not had small-pox, or been vaccinated so as to have taken cow-pox regularly, to be, if an adult, vaccinated within two months from the date of this ordinance. When by reason of poverty the resident adult, parent or guardian shall be unable to pay the vaccination fee, he or they shall apply to the regularly appointed borough physician, who shall vaccinate such adult or minor without making any charge for the same, but such services shall be included in and part of his duties as such borough physician.

Sec. 38 No pupil shall be allowed to attend the public schools in this borough who has not been vaccinated successfully within seven years.

Sec. 39 No parent, guardian or master, in whose house or family there shall have been a communicable disease, dangerous to public health, shall permit any child residing in said house or family to attend any public, private or Sunday school after the cessation of said disease, within a period of ten days after the house shall have been thoroughly disinfected and cleansed. And it shall be the duty of the School Board to have this section printed on cards mentioning the names of diseases declared communicable and dangerous to the public health in this ordinance, and posted in every school room in this borough; and it shall be the duty of each teacher to read the section to the school at least once a month, and whenever any epidemic shall appear. And it shall be the duty of the Board of Health to have this section printed on cards and furnished to every private school, academy, seminary, Kindergarten and Sunday school in this borough, and to request the person or persons in charge of such private institutions to post such cards in conspicuous places, and read the section to the school at least once a month, and whenever any epidemic shall prevail.

Sec. 40 Every undertaker or other person who may have charge of the funeral of any dead person shall procure a properly filled out certificate of the death and its probable cause, in accordance with the form prescribed by the State Board of Health; and shall present the same to the designated officer or member of the Board of Health, and obtain a burial or transit permit thereupon, at least twenty-four hours before the time appointed for such funeral; and he shall not remove any dead body until such burial or transit permit shall have been procured.

Sec 41 Every person who acts as a sexton or undertaker, or cemetery keeper, within the limits of this borough, or has the charge or care of any tomb, vault, burying ground or other place for the reception of the dead, or where the bodies of any human beings are deposited, shall so conduct his business and to care for any such place above named, as to avoid detriment or danger to public health; and every person undertaking the preparation for the burial of a body dead from communicable diseases as herein before enumerated, shall adopt such precautions, as the Board of Health may prescribe to prevent the

spread of such disease. No dead body shall be exhumed and removed between the months of May and October inclusive, and no body dead from small-pox shall ever be exhumed and removed. None of the above mentioned persons shall bury or receive for burial the dead body of any person without first having obtained a permit from this office, and superintendents of cemeteries and vaults and sextons are hereby notified and directed to stop any burial from taking place, unless such permit is presented either before or at the time of interment. The removal from or the bringing into the borough of Baltoro, Pa., the dead body of any person, except in the manner prescribed by the Board of Health, and without first obtaining a permit from the health officer, is declared to be a nuisance, prejudicial to public health, and is hereb prohibited.

Sec. 42 All marriages, births, and deaths shall be registered.

Sec. 43 The fee for registering a marriage shall be twenty-five cents. For registering a birth twenty-five cents. For a burial permit, twenty-five cents. For a transit permit twenty-five cents. For a disinterment permit twenty-five cents.

Sec. 44 Every person violating sections 3, 6, 7, 24, 25, 26, 27, 28, 29, 30, 32, 33, 34 or 35 of this ordinance shall be liable, for every such offense, upon conviction before any burgess, justice or magistrate, to a fine of not less than $10.00 or more than $100.00 and costs at the discretion of the convicting burgess, justice or magistrate.

Sec. 45 Every person violating any other section or provision of this ordinance shall be liable for every such offense, upon conviction before any burgess, justice or magistrate, to a fine of not less than $3.00 or more than $20.00, at the discretion of the convicting burgess, justice or magistrate, besides costs, which the convicting burgess, justice or magistrate may inflict, if he see fit.

Sec. 46 All police officers, constables, and watchmen are enjoined, and all citizens are respectfully desired to give information to the Board of Health of any violation of these ordinances, so that the sanitary laws providing for the cleanliness and health of the borough may be fully executed, and all offenders promptly punished.

Sec. 4. All ordinances or parts of ordinance inconsistent herewith, or hereby supplied, be and the same are hereby repealed. Enacted into an ordinance of the Borough of Harbor, at the Council Chamber, this Seventh day of March, A. D. 1895.

A resolution was passed to reconsider the motion of last special meeting relative to arc lights.

On motion resolved that we rescind the motion of last special meeting to offer William Hallowell $1800.00 for thirty arc lights.

The following communication was received from William Hallowell in writing.

To Borough Council of Hatboro.

I will enter into contract with Council to run thirty arc lights at $70.00 pr. year for each lamp, for two or three years.

William Hallowell

The following motion was now passed.

Resolved that we accept William Hallowells offer to run thirty arc lights at $70.00 pr. year for each lamp, for two years. The contract to be dated from Feb. 1st. 1896 but the increased rate, and increased number of lights not to take effect until the expiration of the present contract. The two incandescent lights to still be furnished free as heretofore.

The six new lamps to be located as follows: One on Monument Avenue near Fenton's property, one on the new turnpike between York street and the mill dam, one at Lacey street and Centre Avenue, one on Depot street above Moreland Avenue near the culvert, one on York street near A. W. Walmsley's, and one on Mill street midway between Allen house and Welsh's mill. The minutes of last regular meeting and two special meetings were read and approved.
The committee appointed to have a contract written and signed by the committee and by William Calloway produced one which was read.

The resolution passed at last special meeting was presented to the Burgess at this meeting for his approval or disapproval and he returned the resolution without his approval giving the following reasons.

To the Borough Council of the Borough of Kalboro Pa. Gentlemen. I herewith return without my approval the following resolution presented to me for my signature, "Resolved that we accept William Hallowells offer to run thirty arc lights at seventy dollars pr. year for each lamp for two years," the contract to be dated February 1st 1896 but the increased rate and the increased number of lights not to take effect until the expiration of the present contract. It is my duty to state my objections for so doing and they are as follows: First the resolution in effect will increase the price of electric light from fourteen hundred and forty dollars to twenty one hundred dollars pr. annum for the use of the Borough, the consequence will be an increase of taxes upon the taxpayers which will be oppressive without corresponding benefit to be derived therefrom. The amount proposed $2100. I regard as out of all proportion to the amount of taxable property in the Borough, and unless the rate is considerably increased will leave very little for necessary expenses and nothing for other needed improvements.

Second: As the present contract for lighting the streets does not expire until next August and a new Council will be elected on the 18th of this month I do not regard it as the business of this Council to make a contract (in advance) to take effect six months after the new Council is elected, and without any opportunity being given the voters of the borough for an expression of opinion on this important question; which is an additional expenditure and the appropriation of more money.

I therefore return the Resolution without my approval

Feb. 6. A.D. 1896 Strickland Watson Burgess

The minutes of last meeting and a special meeting were read and approved.

The resolution of last meeting appropriating Ten dollars to the Board of Health has been signed by the Burgess.

The Board of Health presented their first annual report which was read and accepted and ordered recorded on the minute book.

The time of R. L. Davis having expired as a member of the Board of Health he was now appointed by the President as a member of that body for five years.
Elmer E. Shelley and Charles O. Dager tendered their resignations as members of the Board of Health and the President appointed A. H. Mountindale for one year in place of E. E. Shelley, and Jacob Bratzing for three years in place of C. O. Dager

The following resolution was passed.
Resolved that we appropriate Seventy five dollars for the Board of Health for the ensuing year.

Report of the Board of Health.
Holboro Pa. March 4th 1876
To the President and members of the Town Council of the Borough of Holboro.
Gentlemen: As an organization existing by appointment of the Borough Council under the act of Assembly, the Board of Health herewith presents its first annual statement, together with such suggestions as may appear necessary for the continued health of the community.

The large amount of printing, stationery, books of record and blanks of various kinds to collect and record reports of births, marriages and deaths as well as contagious diseases, nuisances, &c and burial and transit permits, make the expense of the first year much heavier than need be expected for the future as we now have a sufficient stock of blanks of different description, which will only have to be replenished from time to time as it becomes exhausted.

The total expenditures of the board from Feb. 21st 1895 date of organization to March 1st 1896 are as followed:

Minute books	2	25
Contract for blank books, legal and other supplies	70	00
Salary of Health officer	25	00
" " Secretary	15	
Total	$ 112	25

Receipts

Appropriations from Borough Council	110	00
Permits granted	4	25
Total	$ 114	25

Balance in treasury $ 2 00

The deaths in the Borough from May 9th 1895 when a record was first begun to be kept were from the following causes:
Apoplexy 1; Acute Laryngitis 1; Convulsions 1; Gangrene 1; General Debility 2; Heart disease 2; Pneumonia 3; Phthisis 1; Paralysis 1; total number of deaths in borough 13.
The death rate of the Borough if we estimate the population at 800 has been but 16¼ per cent per 1000.
Births reported 18. male 8 female 10.
Marriages reported 1. Contagious diseases reported 2 Diphtheria 1 Typhoid fever 1

Local burial permits issued 8
Out of town permits issued 31
Transit permits issued 5
It is gratifying to state that the physicians of our Borough promptly reported all cases where there was a suspicion of a contagious disease, so that the proper precautions could be at once taken to prevent its spread.
As the people become more familiar with the work and scope of the Board its labors will be better appreciated and greater sanitary improvement will be secured.
A number of minor nuisances reported by the citizens of the Borough which were claimed to be prejudicial to the health of the community have been abated by orders of the board.
As the term of Dr. R. Lewis Davis as a member of this board has expired and the resignations of Dr. Charles C. Dager and Elmer E. Shelley have been received and accepted, owing to the fact of their election to your honorable body, the Board would recommend the reappointment of Dr. Davis and the selection of two citizens who can be depended upon

to serve the ensuring term as faithfully and acceptably as their predecessors have done during the past years and that the Borough Council fix the term of each member so as to expire in March, owing to the annual meeting of the Board for reorganization occurring on the first Wednesday evening of March.

It is earnestly requested that all our citizens assist the members of the Board in reporting any violations of the health laws, as it is our desire to spread knowledge and the education of the people in sanitary affairs which means the gradual and eventual extermination of epidemics, the saving of many valuable lives, and the improvement of public health, and to carry out this high mission the Board deems the Borough Council justified in appropriating Seventy-five dollars to meet the expenses for the present year.

Respectfully submitted.

A Special meeting of the Borough Council was held in the Town Hall on the evening of the above date to hear the Report of the committee sent to Norristown and to take further action on the electric light question. Members all present except Trimmer.

The committee produced a written opinion from the Borough attorney which was read and clearly gave the right for the Borough to lease the electric light plant from William Hallowell.

A communication was also received from William Hallowell which was read and considered to contain such objectionable features that the leasing of the electric light plant to the Borough was abandoned.

A motion was made and seconded to pay William Hallowell $1400.00 for the present number of arc lights for one year.

An amendment was offered to increase the arc lights to thirty at the same price.

The amendment was lost.

A vote was taken upon the original motion which was also lost.
A motion was then made to adjourn which was lost.
A motion was made and seconded to offer Wm. Calfowell $1/75.00 to keep the arc lights burning through the nights of the month of September with any reduction obtainable if the arc lights are not burned on moonlight nights.
This motion was carried by a vote of six yeas to four nays.

The stated meeting of the Borough Council was held this evening in the Town Hall and was called to order by J. N. Watson President Members all present but Shelley.

The minutes of last meeting and two special meetings were read and adopted.

A communication was received from William Hallowell in which he declines to accept the offer made by Council at the last meeting, and says he will continue to burn the lights for three nights and then if a conclusion cannot be reached at this meeting that will settle the electrical light question for one or two years, he will shut the plant down.

The following resolution was offered by Mr. Wilgus:

Whereas the electric lighting service furnished by William Hallowell to the Borough of Hatboro has not been giving satisfaction although the Borough has regularly paid the full amount-

of the contract price each and every month whenever the same became due and payable, and whereas the said William Halloweell now refuses to enter into a new contract unless the Borough will pay him the sum of $2100. for thirty arc lights of 800 candle power; therefore Be it resolved and the committee upon lights is hereby instructed to enter into a contract with the said William Halloweell, he to light the Borough all night and every night during the continuance of said contract which shall be and continue for one year from the first day of September 1896. with thirty arc lights of 800 candle power, and that the Borough shall pay the sum of $2100. provided the said William Halloweell will enter into contract that the lighting service thus furnished shall be such as will meet the approval of the Borough Council or may at any time be expressed by a majority thereof.

The above resolution was seconded and passed and delivered to the Burgess.

A communication was read from Penna. Globe Gas light Co. and directed to be placed on file in case it should be wanted.

The following orders were passed.

A special meeting of Town Council was held in the Town Hall on the evening of the above date, to consider the electric light question.

Members all present but Thompson.

The Burgess returned the preamble and Resolution of last meeting without his approval for the following reasons:

So far as related to the first "Whereas" in the preamble I heartily concur; but the resolution itself I respectfully return without my approval, and with my reasons for so doing

1st

The resolution increases the cost of electric light for Borough purposes from $1440. to $2160.; this amount cannot fail to make a material increase in our tax rate; which after investigation I am led to believe a majority of the tax payers do not approve, feeling as they do, that owing to the general business depression throughout the Country the burdens of taxation should not be increased especially at this time. The adoption of this resolution would require a tax of 4 mills for lighting purposes alone. The Borough of Ambler pays for electric lighting 1⅓ mills, the Borough of Jenkintown 1⅛ mills, and the Borough of Newtown 1½ mills. Our tax at 4 mills would be three times greater than is paid by these surrounding boroughs. Owing to needed improvements for educational purposes it has been found necessary to increase our school tax.

If the Borough tax is to be increased from 1½ to 2 mills it will make in all from 9 to 9½ mills. This amount of tax I believe would be oppressive to the citizens of the Borough and would have the effect to retard other much needed improvements. For these reasons it should be the duty of the Council to make every effort to obtain light at a less cost before they agree to pay such a sum as $2100.

9 mar 11 Another reason why I could not approve the resolution is — its conditions are not sufficiently definite. I could not approve any agreement that did not specifically provide for a deduction for every light that failed to burn: and a proportionate deduction for all imperfect lights. Under the previous contract as stated in your preamble the "light was unsatisfactory" but there seemed to be no remedy, and Mr. Hallowell refused to submit to any deduction. In any future contract the same conditions should apply and be required as in other places where electric lights are used.

It has been stated that some of the members of Council voted for the resolution under the impression and with the assurance that an increase from 24 to 30 arc lights would surely defeat the measure, and, that they now desire to reverse their action, if this be true, my disapproval of the resolution will afford them the opportunity.

For the reasons as herein stated I therefore return the resolution without my approval this 24th day of September A.D. 1896.

Strickland Watson
Burgess.

The following letter was also received from William Hallowell.

Hatboro Sep. 24 1896

To the Town Council of the Borough of Hatboro, Gentlemen

Having been informed by a committee of Your body that a resolution was passed at Your last meeting agreeing to pay me $2,700. for 30 lights of 800 Candle Power for one year, I hereby notify you that I cannot accept said offer.

Yours truly

William Hallowell

On motion the veto of the Burgess and letter of William Hallowell were directed to be spread on the minutes and the papers placed on file.

The following letter was received from the Jenkintown Light Company:

To the Town Council of Hatboro

The Jenkintown Light Co. submits for your consideration the following proposition for lighting your town with incandescent electric lights.

Lamps to be of 25 candle power each

50 lamps	(48	@ $25.00 each and	2	yrs	$1200 00
58 "	(56 "	" " "	2	"	1400 00

75 "	(72 "	" " "	3	"	1800 00

and for each additional lamp $25.00 pr. annum

Lamps to be attached to poles by proper brackets and to have metallic reflectors.

Length of contract 5 years; and payments monthly.

The above offer is made subject to the subscription by the citizens of Hatboro to at least $5000.00 of the capital stock towards the cost of constructing the lines and also subject to the acceptance by the Willow Grove and Warminster

Turnpike company of a proposition to light their road from Willow Grove to the Borough line.
The company at present is not prepared to make a proposition to furnish Arc lights.
Trusting that the above may meet the approval of your honorable Body
I am Yours Very Truly
E. C. Clay
Secretary and Manager
For The Jenkintown Light Company.
On motion the Council went into consideration of the proposition from the Jenkintown Light Company
It was moved and seconded that we do not accept this proposition which motion was carried and the letter laid on the table
The following resolution was then offered by Mr. Wilgus
Resolved That the Town Council of the Borough of Hatboro, authorize the proper authorities to enter into a Contract with Frank Smith and Wm. Ogis as Smith & Davis for lighting this Borough with electricity for the period of three years.

The said Borough to pay the said Smith & Davis the sum of One Thousand six hundred and eighty Dollars ($1680.) per. annum payable in twelve equal monthly installments of One Hundred and forty dollars ($140.) each, for furnishing Twenty five electric arc and two incandescent electric lights.

Said lights to burn all night and every night; casualities and unavoidable accidents excepted.

The quality of the light to be A. 1, the capacity equal to the power of the lamps.

The whole to be satisfactory upon presentation of a bill to a majority of the members of Council present.

And that all additional electric arc lights shall be placed in respective position at the expense of Smith & Davis, and light furnished at the rate of Seventy dollars ($70.) per annum each.

The above resolution was seconded and passed.

It was then agreed on motion to offer any citizen present the privilege of expressing his views on the light question.
After hearing from some of the citizens it was decided to reconsider Mr. Wilgus resolution.
After some discussion the original resolution of Mr. Wilgus was offered and seconded and passed by the following vote. Yeas Walton, Wilgus, Trimmer, Dager, Buckman, Leeby, Sprogell, Shelley, and Breen.
Nays A. H. Walton.
On motion the resolution was presented immediately to the Burgess and received his signature
On motion the electric light committee are authorized to enter into a contract with Smith & Davis.

Report of the Board of Health
Hatboro Pa. Dec. 31 1896

To the President and members of the Town Council of the Borough of Hatboro.
Gentlemen. In accordance with the provisions of the law of May 11th 1893 establishing Boards of Health in Boroughs this Board hereunto presents a brief report of its administration of the duties assigned to it during the past year. Dr. Charles C. Dager and Elmer E. Shelly having resigned as members of the Board owing to the fact of their election to the Borough Council and the term of D. K. E. Davis having expired the vacancies were filled by the appointment of Dr. D. K. E. Davis to succeed himself, and A. H. Hartindell and Jacob L. Blatzing who have discharged the duties of their appointments with acceptability.
Regular meetings have been held on the first Wednesday night of each month and such special meetings as unusual exigencies may have demanded.

The total expenditures of the Board from the last report dated March 4th 1896 to Dec. 31st 1896. are as follows:

John Boyles services as watchman	$10 50
Disinfectants purchased	1 00
Salary of Health Officer	25 00
" " Secretary	15 00
Total	51 50

Receipts

Balance in treasury at last report	2 00
Permits granted	1 00
Appropriation from Borough Council	75 00
	78 00

Balance in treasury $26 50

The deaths in the Borough from March 4th 1896 to Dec. 31st 1896 were from the following causes:

Apoplexy 2, Consumption 1, General debility 2, Heart disease 2, Cholera Infantum 2, Diphtheria 1, Total 10

The death rate of the Borough if we estimate the population at 800 has been but 12½ per. ct. per 1000.

Births reported 7 Male 3 Female 4
Contagious diseased reported 10
Diphtheria 6 Typhoid fever 4
Local burial permits issued 9, Transit permits 1 Outside permits 38 Total 48
There have been very few nuisances reported to the Board by our citizens during the past year, all of which were promptly abated by order of the Board, and with little difficulty in enforcing the ordinances.
In submitting the above report for the year 1896. the Board of Health taked occasion to congratulate you and the community at large upon the gratifying sanitary condition in which the beginning of the New Year finds the Borough marked as it is by a total absence of any communicable disease. In order to meet the expenses of the Board for the ensuing year an appropriation of fifty dollars will be required. Respectfully submitted

A Special meeting of Town Council was held this evening to consider the propriety of purchasing a locomotive tire to be used as a fire alarm. Members present. Shelley, Sprogell, Bratzing, Walton, and Sager.

The following letter in reply to an ingluiry from Mr. Shelley was submitted.

Philadelphia March 16 1897

Mr. E.E. Shelley.

Refering to your request of a few days ago the management decline to donate an old engine tire, but are willing to sell one at scrap prices, which I find would be about $3.00 F. O. B. at Reading.

Yours truly
E. Y. Weichener
Superintendent

After considering the matter the Clerk is directed to write to the Superintendent of the Philadelphia and Reading Rail way and order a locomotive tire and explain to the Company its use.

The following ordinance was passed.
An Ordinance to regulate the running at-large of dogs within the Borough of Hatboro and to provide for the restraint and killing of mad dogs and other dogs running at large, contrary to the provisions of this ordinance, prescribing the duties of police officers and owners of dogs in the premises, and providing penalties for breach of this ordinance and compensation for police officers.

Sec. 1 Whenever either upon view or information the Burgess of the Borough of Hatboro has reason to believe that a mad dog has been at-large within the Borough of Hatboro, it shall be his duty to at once cause printed or written notices to be put up at every street crossing in said borough, notifying the owners and others having the care of dogs, that all dogs must be restrained or muzzled within twenty four hours after the posting of such notice, and must be so kept for the period of one month, and for the cost of the said printing and posting the Burgess shall be entitled to be paid out of the Borough treasury upon his own certificate.

Sec. 2 It shall be the duty of the Police officer and officers of said borough to capture or kill all dogs, which on view or information, they have reason to believe to be mad, and also all other dogs found running at large contrary to the provisions of this ordinance; and for every dog so captured or killed the officer performing the service shall be entitled to be paid out of the Borough treasury the sum of One dollar on a certificate from the Burgess that he has performed such service.

Sec. 3 If upon such printed notice to muzzle or restrain dogs, the owner or the person having the care thereof shall fail or refuse so to do, or if upon personal notice from the Burgess or police officers that his or her dog is a mad dog, the owner or other person having the care of such dog or dogs, shall fail to promptly kill the same, he or she shall forfeit and pay the sum of five dollars for every such offence, to be sued for in the name of the Borough of Watford and recovered as debts of like amount are now recoverable before any Justice of the Peace of said Borough.

Sec. 4 If any police officer after notice given shall fail to do his duty in the premises, according to the terms of this ordinance, he shall upon hearing and conviction thereof before the Burgess, forfeit the sum of three dollars and the cost of the proceeding, which on certificate from the Burgess shall be deducted by the proper accounting officer from the wages of such police officer for the current month.
